

Labatt Family Heart Centre Family Conference 2017

Annual Labatt Family Heart Centre Family Conference 2017

Saturday April 22, 2017 8:30am to 4pm

Peter Gilgan Centre for Research and Learning (PGCRL) at 686 Bay St, Toronto

This conference brings children, their families and health professionals together to share information and experiences about heart disease in children.

The goal is to enhance parent and family emotional well-being through knowledge exchange, experiential sharing and the development or informal support systems.
